Tools and Platforms

AWS, Git & Github, Angular CLI, Chrome DevTools, Lighthouse, Postman, JIRA, VS Code

Experience

Nagarro

Associate Staff Engineer	Jul 2023 – Present
Senior Engineer	Dec 2021 – Jun 2023
	Remote

- Developed and maintained web applications using Angular 10/11, RxJS, Material Design, and NgRx for a social media platform for healthcare professionals.
- Led the development of the Admin panel for the application.
- Collaborated with other developers to implement new features in a way that is consistent with existing codebase conventions.
- Participated in design discussions regarding application architecture, feature implementation, or any other relevant topic as required.

Dew Solutions Pvt. Ltd., *Software Engineer* — Apr 2020 – Present, Gurugram

- Worked with cross-functional teams to design and implement new features using Angular 7/8 as per client requirements for the application.
- Responsible for maintaining and enhancing the existing code which also included working on AngularJS pages as it is a hybrid application.
- Implemented new features like primeNG library for UI, Internationalization, and File handling with S3.

Mindler Education Private Limited, *Front-End Developer* — Aug 2019 – Apr 2020, New Delhi

- Single-handedly developed from scratch the complete front end of a dynamic ed-tech product using Angular 8, Bootstrap 4, and primeNG.
- Responsible for all the front-end related tasks of the existing product.
- Developed campaign pages for marketing using HTML and CSS.

Infosys Limited, *Systems Engineer* — May 2018 – Aug 2019, Pune, Maharashtra

- Created custom dashboards and data visualizations using Splunk for real-time monitoring and data insights.
- Analyzed the logs and then created dashboards that represent the errors in the application chain i.e. TIBCO components and Ibis, showing queues status, main frame transfer jobs status, etc.
- Worked on the Ibis Adapter Framework which allows (transactional) messages to be modified and exchanged between different systems. It deals with XML & XSLTs.
